NATIVE SONS PLAN GRAND BALL FOR JUNE

Flag Day to be Honored By Local Parlor, and Plans are Under Way For Occasion.

Sonoma Parlor No. 111, Native Sons of the Golden West will honor Flag Day next month by giving a ball which they predict will eclipse all affairs of the season. No expense will be spared and the committee is now in correspondence with Art Hickman (himself) and will engage his peerless music for the event of events. Union Hall will be the scene of the swell affair being planned by the natives, and a committee consisting of Messrs. Prestwood, Steurmer, Dal Pogetto and Robin are already at work on the details.

The Native Daughters will do their share in hospitality and give every assistance in making this dance one of the brilliant events of 1920.

Music, decorations and "cups" will be looked after by specialists among the members and it goes without saying that the Native Sons will be royal hosts.

AMERICAN LEGION DANCE WAS A JAZZ TRIUMPH

Third Affair Given By Valley of the Moon Post Crowned All Previous Efforts.

Valley of the Moon Post, American Legion is past master of jazz entertainment, the third dance given by our ex-service men exceeding all previous efforts from the standpoint of crowd, music and good time. It was a jazz triumph. Fully three hundred dancers jammed Union Hall and enjoyed the fine program put on by Henry Weber Jr. and assistants.

Music furnished by McCarthy's jazz band of Art Hickman's famous aggregation created a big furore and the masters of syncopation held full sway until 4 a. m.

It was a Hard Times dance and the decorations and many of the costumes worn were in keeping with the idea. The stage was set to represent a real barn yard scene with straw, harness, etc. and almost out-rivalled Bonini's famous manger.

One of the small rooms near the entrance of the hall was fitted up as a 1909s bar and here soft drinks and smokes were dispensed by real knights of the mahogany. Many comical signs decorated the walls suggestive of wild and wooly days. There were also warning signs and penalties for those wearing linen collars, silk stockings, or evening gowns.

Shortly after midnight when the usual program of fox-trots and one-steps and waltzes was under way, dance contests were announced by the live wire manager and many couples participated. In the waltz contest, Jen Valente and Mrs. Helen Siss carried off the honors and in the shimmy contest Florence Johnson and Louis Cano won out.

The dance brought out parties from all sections of the valley and country in addition to visitors from San Francisco and adjacent counties. It was the occasion of many jolly reunions among old friends. The American Legion was beset with compliments on the affair and the committee was tireless in its efforts to see that all who attended had a good time. Everybody did.

BOYES SPRINGS OPENS FOR SEASON 1920 TODAY

Many Improvements And New Features at Sonoma Valley's Big Resort. Theatre Opens To-night With Pictures and Wilson's Jazz Orchestra.

Boyes Springs opens for the 1920 summer season to-day, May 8th. Everything is in readiness for the comfort and amusement of guests including many new lines of service. The baths have been renovated and enlarged. The bath house pavilion where day time dancing will be featured to the music of Wilson's famous jazz orchestra will be the nucleus of joyous crowds throughout the summer. The swimming tank and tub baths popularity promise to eclipse in volume of business last season's record which was the greatest in the history of the health resort.

W. B. Cause, Chief of Boyes Springs Fire Department, will again manage the theatre and to-night the great Nazimova in Toys of Fate, will be seen on the screen. Wilson's jazz orchestra just returned from a successful season at the Hotel Maryland in San Diego will play nightly after the movies for dancing.

The clubhouse has been turned into an up to date cafeteria where good eats and short orders will be a specialty. The hotel is under the personal management of Rudolph Eichtenberg and courteous assistants. This will be a banner year at Boyes judging from the many reservations.

SONOMA COUNTY PURCHASING AGENT VISITS SONOMA

Harry Fish, purchasing agent of Sonoma county was in town Wednesday and favored this office with a pleasant call. Mr. Fish has important duties and responsibilities with the increased purchases he must make in connection with the highways now under construction in Sonoma county. In addition to buying everything from steam shovels to fountain pens, Fish takes care of all the purchases for the County Hospital and Farm. Through his fore sight and business judgment a big supply of sugar and potatoes were laid in while the prices on both commodities were cheap. In nine months time the office figures showed that it had saved the taxpayers considerable money.

Mr. Fish was for many years with the railroad company and served overseas with the A. E. F. just prior to accepting the position of Purchasing Agent.

This was his first visit to Sonoma city in an official capacity. He came down to look over Sonoma's printing equipment and complimented the Index-Tribune's plant, expressing surprise and satisfaction that a town of Sonoma's size had such excellent facilities for handling work of this kind.

SONOMA MAN COPYRIGHTS NEW BOOKKEEPING SYSTEM

F. W. Dohbel has published and copyrighted the Dohbel system of bookkeeping which is pronounced by experts to be one of the best and simplest devised. It enables the business man to keep a complete record of business transactions which will enable him at anytime to know all about his income and expenditures. To see the book and its merits is to wish to adopt the Dohbel system.

W. W. Carter this week closed the sale of the Chas. Roedert ranch, near Kenwood.

SONOMA VALLEY WANTS ACTION ON HIGHWAY AND ROAD IMPROVEMENTS

IS TO CAMPAIGN FOR PURCHASE OF STATE BONDS FOR SCHELLVILLE-SANTA ROSA ROAD. FARM CENTER SENDS LETTER TO COUNTY ENGINEER ABOUT CONDITION OF ROADS

Sonoma valley is wide awake to the necessity of speeding up highway construction and road improvements throughout this locality which has been far behind in the march of progress because of the woeful condition of our main arteries and laterals of travel. Much activity is now being manifested and on Tuesday night a committee of leading citizens and tax payers from various parts of the Sonoma valley met at the Sonoma Valley Bank, to urge Sonoma county to buy the state highway bonds necessary to build the Schellville-Santa Rosa road. \$450,000 will be available for this piece of state highway as soon as the bonds are purchased.

Among those who discussed the project and heartily advocated it at Tuesday's meeting were Messrs. R. L. Watt, H. F. Bates, E. J. Harris, C. Cutter, A. Adler, Wm. Clewe, E. T. Duhning and F. M. Burris. Mr. Burris reported that the Santa Rosa Chamber of Commerce and other organizations favor the buying of the bonds by the county and that the supervisors have expressed themselves favorably toward the plan.

District Attorney George W. Hoyle has heartily endorsed the idea and declares that the plan is feasible and without any legal obstacles. The Sonoma Valley Womens Club, at a special meeting Wednesday passed the following resolutions urging the Supervisors to aid Sonoma Valley to get the highway by buying the state bonds:

Whereas: The state highway between Schellville and Santa Rosa is to be built out of the \$40,000,000 bond issue last voted by the State of California and was specifically designated as the only highway to be built in Sonoma County from this issue and whereas:

The Governor and State Highway Commission have explained that the present slump in the bond market makes sale of the bonds impossible and that money cannot be realized unless counties interested in getting state highway work done buy these bonds—money thus realized to be spent in such counties:

Therefore be it Resolved That the Sonoma Valley Womens Club commend the plan of the purchase by Sonoma County of \$440,000 worth of these state highway 4 1/2 per cent bonds to speed the building and completion of the Schellville-Santa Rosa highway and asks your honorable body to take the matter up for consideration at an early date.

Respectfully submitted
Sonoma Valley Womens Club
The Sonoma Farm Center, represented by Henry Watters, L. L. Stenquist, R. L. Dow, Morris Levy and Fred Heggie, took up the condition of roads in Sonoma Valley with County Engineer Aldrich in a lengthy letter made public the middle of the week:

The Farm Center communication was as follows:

Sonoma, Cal., April 24, 1920.
Mr. Lloyd Aldrich,
Sonoma County Engineer,
Santa Rosa, Calif.
Dear Sir:

At the regular monthly meeting of the Sonoma Farm Center held on Friday evening, April 16, the deplorable condition of certain of our Sonoma Valley roads was taken up. Director Morris Levy appointed a committee of members whose names are appended hereto, to take this matter up with you with the idea in view of having these conditions remedied at the earliest possible moment. Below are mentioned some of the worst features, although this

does not mean that the roads not mentioned are entirely satisfactory.

First. The road paralleling the Northwestern Railroad from Buena Vista to Batos (is almost impassable and no repairs have been made for at least a year. We understand that there is a dispute as to whether the Railroad Company or the County is responsible for keeping same in repair. Therefore, we request you to look into this matter and do what ever may be possible to have this road repaired at once.

Second. The Vineburg to Schellville road for about a half a mile north of Schellville, was rebuilt last fall and has been very rough ever since. Before being rebuilt this was one of the smoothest roads in the valley, although it was somewhat narrow and not graded up very high. At present it is one of the roughest roads in the valley and we believe could be placed in good condition with comparatively small expense.

Third. We wish to make emphatic protest against the past and present practice of hauling stones and boulders onto our roads along with gravel. Many of these stones are as large as your fist and many twice that size. In due time the automobiles, throw most of these stones off the road, but about that time the grader comes along and takes them back on again. This is done time after time. These stones are a serious menace to automobile tires and never do any good. This is particularly true of the road near the Stoneburg and Crivelli ranches, southeast of Schellville.

Fourth. The road from Chas. Deane's corner to George Wallman's place in the Vineburg section was covered with gravel and loose stones last fall. It is not the kind of material that packs and the consequence is that at the present time driving over this road is much like driving over a creek bed.

Fifth. There are several roads in the valley where there are sharp stones imbedded in the road which stick up from two to four inches. These stones are a serious menace to automobile tires, but it never seems to occur to anyone working on the road to remove them. Such stones may be found on the Vineburg to Schellville road, within one half mile south of Vineburg, on the road near Peter Hansen's and R. J. Dowdall's ranches, and on the road between John Guiberg's and Chas. Ramelli's ranches near the west side of Sonoma valley, southwest of Sonoma.

Sixth. Napa Street from the eastern city limits of Sonoma to Buena Vista is very rough and full of chuck holes. No work of any value has been done on this road for a longtime.

Seventh. It appears to this committee that the present practice of hauling gravel and stones just as it comes from our creeks onto our roads is largely money wasted. Most of this material is not of the proper quality unless mixed with something else to pack and make a good road and as a result many of our roads are full of chuck holes most of the time.

We wish to call your attention to the main road through the Hyde tract east of Vineburg. While this is not a perfect road by any means and needs slight repair in a few places, it is so much better than any of our other roads, that we would like to know why all of our roads cannot be built to be reasonably smooth such as this one.

We are not writing this letter in a fault finding spirit, but with a desire to have you cooperate with us in giving this valley the kind of roads

ROAD FOREMAN HELBERG ANSWERS CRITICS

I take this means to reply to the article signed by members of the Farm Bureau which appeared this week concerning the conditions of the roads in Sonoma Valley.

No complaint was filed with me nor would I have known that any had been framed by Mr. Watters and his aides had I not seen it in the paper. Although he states that the article is not written in a fault finding spirit, judging by the past records of mud-slinging and misrepresentation it does not look that way. Even when asked to correct untruths, he has excused statements by saying he was told so, but never corrected them.

However I want to take up the published complaints in this order:

First as to the road along the Northwestern between Buena Vista and Batos. The County has never done anything with that road because the railroad company agreed to fix it when they put their tracks there.

Second. The Vineburg-Schellville road complaint has to do with the old road. There is a new County road built for travel and it is in good condition. Some people persist in traveling the old road which is really the railroad right of way, and we have no jurisdiction over it.

Third. The road near the Stoneburg and Crivelli ranches had to be fixed with heavy material to keep it in any kind of shape for the heavy milk trucks which travel over it. Fine stuff would be a waste of time and money.

Fourth. If the good Lord will give us about 2 inches of rain, we will pack the gravel and loose material nicely on our roads. This has been an unusual season and when roads were fixed with certain materials we expected rainfall which we never got.

As to the recommendation that material such as is used on the Hyde tract roads be put on all the roads such advice is too childlike to listen to. Anyone with half an eye can see that if any part of the Sunday or daily traffic utilized the Hyde tract roads they would go to pieces in no time.

In reference to the rest of the general criticism of roads in Sonoma valley, I would call the attention of all fair minded people to the high cost of everything in road building and repair work now days. With the promised highways coming, the Supervisors cut out the 20 cent special road tax which reduced our funds for upkeep fully one third. The curtailed funds do not go very far when you consider that three years ago, we had men, \$200 to work on the roads and teams \$400. Now men get \$4.00 and teams are paid \$7.00. Just half the former work can be done with the amount of money. There is 100 per cent more traffic all over the valley and automobiles by the hundreds go through here on Sundays. With this increased traffic and decrease in funds, it is little wonder that Sonoma roads are not perfect.

The district is now under the County Engineer and I follow out his orders and do all work under his supervision, filling in information as to just where, when, and by whom all work is done. He has a personal knowledge of the problem which confronts me as he was here Wednesday and went over the ground with me.

It is not hard to fathom why Watters is bringing up this road talk just three months before the Supervisory election. It's dirty politics, trying to prejudice taxpayers and voters. When they read this article they will understand some of the details of the problems and conditions which confront me.

A rock crusher and bunkers have been installed for road work in my districts now and we also have a motor truck which will replace the teams, so prospects for better road conditions are good.

HELBERG,
Road Foreman of Sonoma Valley
First Supervisorial District

It should have. Our idea of the purpose of a road is to have one that will handle the average traffic it is called upon to bear in the quickest and easiest possible manner with the least possible damage per mile to the vehicle passing over it.

On behalf of the best interest of the traveling public of the Sonoma valley, we ask your hearty co-operation in this matter. May we hear from you in regard to this in time for us to make a report before the next Farm Center Meeting to be held Friday, May 21st.

Committee:

Morris Levy, Director,
Henry Watters, Chairman,
R. A. Dow,
L. L. Stenquist,
Fred Heggie.

IMPORTANT MEETING OF CITY TRUSTEES

Appoint Committees For Year, Raise Marshal's Salary and Pass Resolution of Intention for Street Bonds.

The regular May meeting of the Board of City Trustees proved to be an important one. The standing committees for the ensuing year were announced as follows:

Streets and Sidewalks, Trustees Boretta and Bulotti; Finance and Legislation, Trustees Boretta and Bulotti; Fire and Water, Boretta and Breitenbach; Light, Trustees Bulotti and Bates; Printing, Trustees Breitenbach and Bates; Cemetery, Trustees Boretta and Breitenbach; Plaza, Trustees Boretta and Breitenbach.

City Marshal, James Albertson who has been Sonoma's policeman for 21 years was granted a raise in salary from \$15 per month to \$25. Jim believes he will now be able to meet the High Cost of Living. It was also agreed to buy him a traffic cop's whistle so the "Chief" is quite proud of all these extras attained in one night.

A resolution favoring the purchase of state highway bonds by the county in order to hasten work on the Schellville to Santa Rosa road was passed and will be forwarded to the Supervisors.

The following bills were allowed and ordered paid:

| | |
|------------------------------|---------|
| C. Dal Pogetto, expense bill | \$ 3.00 |
| J. H. Albertson, salary | 15.00 |
| L. Brusk | 17.64 |
| H. Castagnisso | 4.00 |
| Sonoma Water Works Co. | 50.00 |
| J. B. Small, Election Board | 20.00 |
| C. Jakober, scarfing | 145.00 |
| J. Fochetti | 3.25 |
| P. Canoyari, janitor | 7.50 |

The street improvement ordinance redrafted was given its initial reading at an adjourned meeting last night and will be republished. The date of the bond election has been set for the last of this month.

R. J. DOWDALL SUCCEEDS R. P. HILL AS HEAD OF HIGH SCHOOL BOARD

R. J. Dowdall has been elected president of the Board of High School trustees to succeed Robt. P. Hill, resigned. Mr. Hill has served long and well and his retirement comes after many years of splendid service in school work.

Mr. Dowdall has been a High School trustee for many terms and is a faithful and conscientious member deeply interested in the educational advancement of Sonoma Valley.

George Cassidy, Dr. W. B. Graves and Mrs. Sam Woodworth comprise the other members of the High School Board. The vacancy caused by the resignation of Mr. Hill will be filled by County Superintendent of Schools, Ben F. Ballard.

CALIENTE RESIDENT MET TRAGIC DEATH

Isaac Cohen Run Down and Killed By Train While On a Visit to San Bruno.

Isaac Cohen, the well known proprietor of a store and junk business at Agua Caliente and father of a large family met a tragic death Wednesday night when the horse and rig in which he and two friends were riding was struck by an Ocean Shore train at the San Bruno crossing in San Mateo County. Cohen had gone down from here to attend to some business in San Francisco and suburbs. While driving with his friends, N. Weinberg and Samuel Swartz, of Silver Avenue, the Caliente man noticed the train approaching and stopped his horse although he had ample time to cross the tracks. The horse took fright and plunged forward just as the engine reached the crossing. Cohen was dragged beneath the locomotive and wedged into a culvert. Death was instantaneous.

One of the men with Cohen leaped to safety, the other, Mr. Weinberg suffered a fractured skull. His injuries are fatal.

Cohen leaves to mourn him a widow and several children, one son Barney, having served over seas with the army during the recent war. Deceased was an industrious man and highly regarded by friends and business associates. His untimely death caused much regret throughout the valley when news of the tragedy reached here.

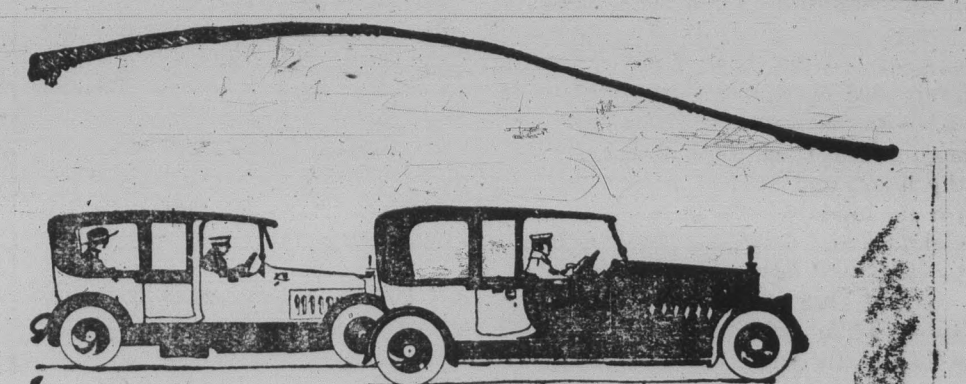

Mr. Cohen and children have the sympathy of many friends in their great trouble.

HENRY BATES IS NEW MEMBER OF TRUSTEES

Appointed By Dal Pogetto To Succeed Ernest C. Campbell Resigned.

At a special meeting of the City Trustees last Monday night, Henry F. Bates was appointed a member of the Board to succeed Ernest Campbell who resigned upon his leaving-taking for Arizona. Mr. Bates has served before in an official capacity and is a well qualified, progressive citizen all of which commended him to Mayor Dal Pogetto who made the appointment.

The special session of the Board was the occasion of consideration of plans for the cemetery's new road. Surveyor Specht was present and presented his findings in the matter of an easy grade and best type of construction. The estimated cost of the road was set at \$5000. Rev. Isaac Cookman was present at the meeting and urged the building of the road and also offered his services in raising the money by popular subscription.

SONOMA VALLEY LOOKS TO SONOMA COUNTY TO SPEED STATE HIGHWAY COMING

After thoughtful and discriminating consideration of important roads to be improved in California a proposition was submitted to the people last summer authorizing \$40,000,000 to be expended on highways in various counties of the state. Among these roads the Schellville to Santa Rosa highway was designated and on it the sum of \$400,000 was to be expended. This was the only highway which Sonoma County was to get out of the big bond issue and after it carried, together with provisions for improvements in other counties, Sonoma rejoiced at the thought of this neglected stretch of road being thrown open to the public and made a main avenue of travel from the rich valleys of the interior to Santa Rosa and the coast.

The road now leading off of the main highway at the Napa line into Sonoma Valley has long been impossible if not actually impassable; and state aid for its improvement was hailed with delight both by the traveling public from the Sacramento and San Joaquin and by those within our own gate-way. Our own people however had misgivings that the money-voted by the big hearted people of California for the improvement of this desirable in this locality would not be forth coming as easily as we might have expected when we were new at the highway game and guileless of the ways of Highway Commissioners. Sonoma County's experience with County highway building progress and Sonoma Valley's experience with the Black Point cut-off—cut off before it was ever surfaced or completed—made us dubious of the fulfillment of the pledge and obligation which the voting of \$400,000 made incumbent upon the State Highway Commission. After some months various local organizations and a number of affiliated organizations of interested counties began to make inquiries and to urge the starting of work on the Schellville-Santa Rosa road. At last we were rewarded with state surveying parties which appeared along the green sward out of Santa Rosa and imbued the people of this section with some hope that the work was to go forward. Preliminary surveying however is a slow process and while the state highway employees took data and angles and degrees the ruts and bumps in the much traveled road which the county had maintained grew deeper and more desperate. The supervisors rightfully believed it folly to spend money on a road for which the state had been voted money to improve so there was a deadlock for the traveling public and many jolts for motorists. Then the truth leaked out. State bonds had been voted but could not be sold nor can they be yet, as there is a slump in the bond market and 4 1/2 per cent bonds are unsalable.

Now comes Governor Stephens and puts the proposition up to counties entitled to money from these bonds, that if the counties will buy the bonds, the money realized from their sale will be spent in the counties buying them.

The Index-Tribune was quick to see the possibilities of this plan as applied to Sonoma County and in its last issue urged the Supervisors to take the matter up straightway. This county has been buying U. S. certificates and now by investing in the state highway bonds we can avail ourselves of an investment which will be one of the best Sonoma County has ever made.

The Supervisors owe it to Sonoma Valley which has put up with poor roads for years and for recent years has seen the tide of travel which should have flooded us with prosperity steadily diverted toward other localities where public money was being judiciously expended on modern road construction. Sonoma Valley backed up the recent \$1,600,000 county bond issue with a hundred per cent boost although we are to get nothing from that money but a few stretches of class B road. Sonoma Valley's consolation and big hope was the state highway to be built from here to Santa Rosa. Let us have it.

Now of all times, a good strong smooth connecting link to bind us to our county seat is imperative and loyal Sonoma Valley citizens look to the Supervisors of Sonoma County to make this possible through the recent offer of the state to build the highways in the confines of counties where state bonds are purchased.

Sonoma Valley may be wooed by other counties than its own Sonoma but towers above insidious propagandists and their artful wooing preferring to remain strong in its faith that Sonoma County will speed our development and will aid in the upbuilding to which we are entitled and can point the way.

SENATOR PHELAN owes neither explanation or apology for taking the requests for clemency in the Fetters case up to the Attorney General. The two cylinder "dry" newspaper which is wheezing away and dying hard in its efforts to arraign him is but a little yellow cur at the heels of the Senator—a toothless mongrel at that.

As for its contemptible and puerile effort to bring into disrepute the members of the Glen Ellen Womens Improvement Club and others who interceded for a sick persecuted woman such tactics are of too low an order to be understandable to high minded, broad calbered men and women. The Glen Ellen Womens Club whose members comprise many of the finest and noblest women in the state of California needs no defense for its laudable efforts to obtain mercy and clemency for one who in sickness and distress faced a long jail sentence because she was alleged to have sold liquor to soldiers.

The club women are to be commended for their bighearted Christian spirit while public opinion will deal with their miserable critic as such a lickspittle and hypocrite should be dealt with.

ONE OF THE best proofs you can give new-comers to Sonoma that they have struck the most desirable location in California in which to reside and the best town in which to trade is to give them good service and prompt service. Whether you are the boss of a business or an employee just paste this advice in your hat. It will help Sonoma's progress a long ways for news of service travels far and wide.

IF SOME of the ilk and bilks who are ring leaders in the reform fiasco had a spark of the honesty, enterprise and Christianity of other people in this community they might get their names on a roll of honor too, instead of the black list where they are conspicuous.

A HORSE! A HORSE! MY KINGDOM FOR A HORSE

Anyone desiring a horse and wanting to make a good quick buy should advertise in these columns. Last week a classified ad inserted by J. I. Payne appeared and through some mistake of the printer the same ad was set twice the second time the name of A. Maffei appearing as the man wanting the horse. Mr. Maffei did not want a horse but his name got into the paper under the word "d". As a result he was swamped with offers of equines of every description from colts to chicken feeders. After smiling at the situation which he thought was the work of a practical joker he appealed to the Editor to know who started it. "Nib" got the inside info and while he did not pay for the ad we indicated upon him he paid the Index a high compliment on the results its advertising columns bring.

Mr. J. J. Payne who was a bonafide advertiser also wrote us as follows: "Index-Tribune: 'Please cut out the horse ad. I have the horse. Thanks to your good paper'."

NEW ARRIVALS

Mr. and Mrs. Vigne of Lovell Valley were presented with a 9 1-2 pound son this week.

A little girl came to gladden the hearts of Mr. and Mrs. Schimpf of Vineburg the fore part of the week. Dr. Hays was in attendance.

Harold Paul's attractive children were in the local sanitarium last week for tonsil and adenoid operations.

Miss Grace Leahy and Robert Fair of San Francisco have been visiting Miss Leahy's sister, Mrs. Erhardt Steiger at Schellville.

N. J. Heggie and daughter were the first voters at El Verano precinct and from there took an early morning hike over the hills to the Napa county quicksilver mines. It was a bank holiday and the day was most pleasantly spent in the interesting cross country walk.

Henry Norrhom has taken over the Willard Service Station and is now prepared to do battery recharging, repairing and also has batteries for rent.

AND NOW PETALUMA WOULD CARVE THE HEART OUT OF US

The Petaluma pirates tried to swallow Sonoma Valley whole but could not negotiate it. Now the designing brigands who want to kidnap Sonoma Valley from Sonoma County and carry it off into a new county to be known as San Antonio alias Petaluma County have decided to cut the heart out of us. They cannot swallow us whole so they have it all fixed to carve us up. Here is the whole blood curdling plot as revealed in the Petaluma Courier of last Sunday:

A change was made in the boundary lines of the proposed new county by the Committee of Fifteen at the meeting at the office of Attorney Meyer last night. The city of Sonoma and the resort section of the Sonoma Valley will be left out. The balance of the Sonoma valley will be included. This territory to be left out is only a small part of the Sonoma valley in square miles, estimated at about a fifth or a fourth. The northern line of the proposed county will go from the Pacific ocean east to the Sonoma creek in the Sonoma valley, thence southerly following the meanderings of the city of Sonoma, thence easterly near the boundary line of the city of Sonoma to the Napa line, thence following the Napa, Colano and Marin county lines to the point of beginning. These new boundaries will leave the city of Sonoma out and the small part of the valley to the northwest in which the resorts are located. It is pointed out that this part of the valley has little farming land compared to the rest of the Valley of the Moon.

The reason for this change is that the people of the city of Sonoma as well as those of the resort section appear to be desirous of remaining in the old county. While some Sonoma city people as well as a number in the resort section are strongly in favor of Petaluma county, opinions gained indicate that a majority would be against it. On the other hand the ranching population are in southern end of the valley and to the west of Sonoma creek. As it now stands it is estimated that three fourths of the valley is in the proposed county, which will include the postoffices or villages of El Verano, San Luis, Vineburg, Schellville, Wingo, Fairview, Sears Point. It is becoming

PLANS FOR SONOMA COUNTY FAIR

The Sonoma County Fair directors have decided to hold a seven day exhibition in August instead of four days, as originally announced. A tent containing 35,000 square feet of floor space has been secured which will be entirely devoted to the industrial end of the fair.

William Horstman, who has made a success of many fairs in the past, has been secured to manage the industrial exhibits and promises to make it an attractive feature of the fair. Sonoma county industrial interests will be given preference and first opportunity in the matter of space and then the outsiders who have agencies in the county will occupy the remainder.

With the fair four months off the indications are that it will be the most complete ever held in the county with many novel and instructive attractions for the public. Director Sheridan W. Baker insists that the Agricultural and Horticultural exhibits will outshine any ever attempted in the county before. With the backing of the various Farm Centers of the county this may be expected.

There will be high class free entertainments many with a change of program daily, provided for those in attendance. Among these will be a dance platform 40 by 60 feet with a fine band in attendance and those who desire may "trip the light fantastic to their hearts content."

Already the idea of a night Horse Show has taken a strong hold and many of the finest horses in the state will be on exhibition and be put through their paces for the benefit of the visitors.

Besides the two bands to be hired by the association it is almost assured that there will be an Army and Navy band in attendance and an effort is being made to secure the Marine band from Mare Island.

known to the ranchers of the Sonoma valley, the same as it is to the ranchers on this side of the mountain that farming land is more valuable when it is nearer to the county seat. It will be possible for the new county to annex the remaining part of the Sonoma valley, if desired by the people of that section.

Secretary Kerrigan of the Chamber of Commerce has been interviewing people in the Valley of the Moon for some time past. He talked to people both in Sonoma city and out. He has felt very much gratified over the situation on the whole. The new county petitions will be out in a few days.

IDA MARSHALL IS A BRIDE

SANTA ROSA, April 30.—Surprise was expressed in Healdsburg last night when it was learned that Miss Ida M. Marshall, the principal of the grammar school, and Albert Morgan were married last Saturday in San Jose.

The bride is one of the popular teachers in the county and was a candidate for the office of county superintendent of schools at the last election.

Mr. Morgan recently disposed of his business in Healdsburg and has purchased a large fruit ranch near Sebastopol, and it is there that he will take his bride to live.

Mrs. Morgan plans to complete this term of school.

N. L. WISWELL KNOWN TO MANY SONOMA PEOPLE IS A SUICIDE

Nelson L. Wiswell, esteemed former Petaluman and son of the late Mr. and Mrs. N. Wiswell of that city, committed suicide at his home at Preston at an early hour this morning by shooting himself with a double barreled shotgun. He blew the top of his head off and died instantly. For some time Mr. Wiswell has not been in his right mind, owing to worry and some time ago was taken to Santa Rosa for examination but convinced the examining board that he was perfectly sane and he was allowed to return home. His actions, however, have been such that he was constantly watched and was cared for by his son-in-law.

The gun and ammunition and all other weapons about the place had been secured by the son-in-law and hidden at his home, but it is thought that Mr. Wiswell found the gun and shells on Thursday and hid them until he could commit the deed of self-destruction Friday morning.

Coroner F. H. Phillips was notified and went to Preston on the morning train and held an inquest, the verdict being in accordance with the above details.

Mr. Wiswell was a native of Petaluma and was aged about 52 years and was reared and educated there, later going to Preston, where he has been engaged in farming for many years. He was married and leaves several children and step children.

Peter B. Kyne and Mrs. Shurtliff were recent guests of Mrs. Charmion London at Glen Ellen.

PURCHASE LARGE MOTOR BUS FOR SAN RAFAEL LINE

Jep Valente and Fred Steurmer who took over the San Rafael-Sonoma Valley auto bus line on the first of this month have added an 18 passenger stage to the equipment and are prepared to give all the service the traveling public requires this season. The new auto bus was formerly in the service of the Case del Rey at Santa Cruz and is now making daily trips between the Sonoma Valley Springs and the electric trains at San Rafael.

M. F. MULLEN ATTENDS ANNUAL REUNION OF S. P. PENSIONERS

Mr. M. F. Mullen and wife of El Verano will attend the 10th annual reunion luncheon of Pensioners of the Southern Pacific railroad company at the Palace Hotel, San Francisco Monday night. This is an annual event and commemorates the driving of the last spike at Promontory.

The veteran railroad men and their ladies will gather in the assembly room of the hotel at 11 a. m. Luncheon will be served in the Gold Room at 11:45 a. m. to be followed by an interesting program.

Mr. Mullen, although an old timer, is hale and hearty and is sure to enjoy the festivities and reunion with his comrades of the road. Since his retirement from railroad, he has been the efficient postmaster at El Verano.

PUZZLE—WHICH WERE THE CIRCUS PERFORMERS?

Federal sleuths seeking "boozie hounds" are not overlooking any opportunity of catching people with booze in their possession. Yesterday afternoon an attaché of the Foley & Burk circus was taking a package of oranges, bananas and other fruits to a sick man who was stopping at the Occidental hotel annex. On the stairs of the hotel entrance the man with the fruit was stopped and the package searched by federal men in the belief that it might contain something to drink with an alcoholic content greater than one-half of one per cent. Nothing stronger than oranges was discovered, and the package returned to the owner. The sick man is the trainer of the dog and pony show for Foley & Burk—Santa Rosa Republican.

Another Royal Suggestion GRIDDLE CAKES and WAFFLES

From the NEW ROYAL COOK BOOK

THERE is an art in making flapjack pancakes, griddle cakes or waffles, call them what you will. But it is an art very easily and quickly acquired if you follow the right recipes.

Here are some recipes for a variety of breakfast cakes that will make grandmother envious. The secret, of course, is Royal Baking Powder.

Royal Hot Griddle Cakes

2 cups flour
1/2 teaspoon salt
4 teaspoons Royal Baking Powder
1 1/2 cups milk
2 tablespoons shortening
Mix and sift dry ingredients; add milk and melted shortening; beat well. Bake on slightly greased hot griddle.

Griddle Cakes with Eggs

1 1/2 cups flour
1/2 teaspoon salt
4 teaspoons Royal Baking Powder
2 eggs
1 1/2 cups milk
1 tablespoon shortening
Mix and sift dry ingredients; add beaten eggs, milk and melted shortening; mix well. Bake immediately on hot griddle.

Buckwheat Cakes
2 cups buckwheat flour
1 cup flour
6 teaspoons Royal Baking Powder
1/2 teaspoon salt
1 1/2 cups milk or milk and water
1 tablespoon molasses
1 tablespoon shortening
Sift together flours, baking powder and salt; add liquid, molasses and melted shortening; beat three minutes. Bake on hot greased griddle.

Waffles
2 cups flour
4 teaspoons Royal Baking Powder
1/2 teaspoon salt
1 1/2 cups milk
2 eggs
1 tablespoon melted shortening
Sift flour, baking powder and salt together; add milk to yolks of eggs; mix thoroughly and add to dry ingredients; add melted shortening and mix in beaten whites of eggs. Bake in well greased hot waffle iron until brown. Serve with maple syrup. It should take about 1 1/2 minutes to bake each waffle.

JOHNSON WINS IN PRIMARIES HERE

Republican Vote Heavy But Belated
Interest in Hoover's Candidacy
Gives Opponent Big Majority.

The landslide vote for Hiram Johnson throughout California was duplicated in Sonoma where the final count gave Johnson majorities of 49 in Precinct 1, and 36 in Precinct 2. The total vote in Sonoma was light, only 209 ballots being marked for the presidential delegates. Many Democrats called for Republican in ballots, and 15 Bourbons stayed with their party. While some local Democrats switched to vote for Hoover, many more helped swell the Johnson majority.

The belated effort made in behalf of Herbert Hoover and the fact that speakers scheduled to appear at a mass meeting Monday night failed to materialize accounted for the light vote for the Food Administrator.

Little interest was manifest in the election, many stating that the Johnson machine would sweep everything anyway and that nothing but Governor Edwards' candidacy would interest them.

"MALE AND FEMALE" COMING TO DON SOON

The great film play Cecil B. De Mille's "Male and Female" is coming to the Don Theatre Wednesday and Thursday nights, May 12 and 13. The play is from the pen of the great Sir James M. Barrie. The shipwreck and its aftermath makes a great story of absorbing interest. Prices are 35¢ and 25¢. You'll never forget "Male and Female" adv.

EX-MINISTER OF SONOMA IS TO WED

Rev. Henry Oehlhoff, former rector of Sonoma's Episcopal Church is to be married this summer to Miss Alice Keeler of San Rafael. Rev. Oehlhoff was exceedingly popular here. He was a young enthusiastic, earnest and up to date divine.

The following notice of the engagement of Mr. Oehlhoff appeared in the society column of a San Francisco newspaper:

The engagement of Miss Alice Keeler and Reverend J. Henry Oehlhoff has been made by her parents, Mr. and Mrs. Addison Star Keeler. Miss Keeler made her debut in 1916 and after her first season, devoted her time to war work. She took a course in occupational work at Columbia University in New York and held a position at the government hospital at Fort Baker, New Mexico, until several months ago, when she returned to her home in San Rafael.

Reverend Oehlhoff is a New Yorker and is a graduate of Saint Stephens College and of the Berkeley Divinity School of Connecticut. At present he is in charge of the Canon Kly Memorial and is chaplain of St. Luke's Hospital. The wedding will take place this summer.

FOURTY-ONE-OLD CASE IN COURT

A quiet title suit involving land left by one man who died nearly 40 years ago was filed in the Superior Court yesterday by Anna E. Cromwell and James G. Cromwell, her husband, against Frank H. Phillips, administrator in the two estates.

Patrick Maloney died intestate on July 22, 1881 leaving property known as the Brook Farm, near Glen Ellen. Letters of administration were granted Phillips April 28, 1920.

Geo. Clark died intestate, April 5, 1895, leaving an interest in the property. The plaintiffs in the present case set forth that they have been in possession of the property for 20 years. They set forth that Phillips claims some rights in this property, and ask the court to quiet title in their favor. They are represented by Attorney M. W. McInch.

Miss M. Burchard was called to Sonoma this week on account of the death of her aunt who had long been a sufferer from paralysis.

The Trustvetter place in the Hyde tract was sold by Mr. Carter to Ralph Rathman.

Poppe, on the east side of the plaza, in the City of Sonoma, County of Sonoma, State of California, the same being the place for the transaction of the business of said estate in the County of Sonoma, State of California.

Annie S. Breitenbach, administratrix of the estate of Louis Breitenbach, deceased.

Dated at Sonoma, Cal., April 17, 1920. Robert A. Poppe, Attorney for estate.

NOTICE TO CREDITORS

No. 11652
IN THE SUPERIOR COURT,
STATE OF CALIFORNIA,
IN AND FOR THE
COUNTY OF SONOMA.

SUMMONS.

Celia Hunt, Plaintiff, vs. Howard F. Hunt, Defendant.

Action was taken in the Superior Court of the State of California, in and for the County of Sonoma, and the complaint filed in the office of the County Clerk of said County of Sonoma.

Frank Sprague, Sonoma, Cal., Attorney for Plaintiff.

The People of the State of California Send Greeting to HOWARD F. HUNT, Defendant.

You are hereby directed to appear, and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Sonoma, within ten days after the service on you of this summons; if served within this County; or within thirty days, if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or plaintiff will apply to the Court for any other relief demanded in this complaint.

Given under my hand and the seal of the said Superior Court, this 2nd day of April, 1920.

(SEAL) W. W. FELT, JR., County Clerk.

By CLARA E. CHRISTIANSEN, Deputy Clerk.

VINEBURG

On last Sunday afternoon the romantic home of Mr. and Mrs. Albert Groskopf, "Whispering Pines" was the scene of a jolly party. Among the guests were Mr. and Mrs. Carl Batsborger of Bakersfield, Mr. and Mrs. Frank Groskopf of Vallejo, Mr. and Mrs. Chas. Groskopf of Sonoma, and Mrs. Arthur Batto of Vineburg. All enjoyed a pleasant afternoon.

Mrs. May Fuller of San Francisco was the week end guest of her parents, Captain and Mrs. P. Bosch.

Mr. and Mrs. Victor Bronais and family of San Francisco are the guests of Mr. and Mrs. Louis Martin. Mr. Bronais is delighted with this vicinity and may become a resident.

LOUIS MARTIN BUYS DRIVER

Louis Martin, a prominent and progressive citizen of this place has purchased the fruit dryer from the Gundlach-Bundschu Company and it is his intention to conduct the plant the coming season in an up-to-date manner. The property adjoins that of the Apple Growers Association and now Vineburg will sure be able to handle some fruit.

LEASES VINEYARD VILLA
Mr. Dupony of San Francisco has leased the "Vineyard Villa" from L. Rouquie one of the oldest and at one time the most popular summer resort in Sonoma valley and will conduct it as a first class resort. The Villa will be renovated and newly furnished with every thing up-to-date.

Minnie Madden is the happiest girl in Vineburg for she says that Jim Small and his favorite assistant, Ethel Eastlake have had a "scrap". Ethel said that Jim voted the Prohibition ticket on Tuesday last and Jim says that, "never, he did not" and he can prove it by Tillie Tipton. Don't worry Jim, we believe you.

A carload of wine was shipped from Vineburg one day this week. That is news. Funny that the nickel plated Revenue officers did not know it. Oh my, what a chance they missed.

Mr. A. R. Bird, one of the pioneer residents of the Hyde Tract has sold his fine residence, orchard and poultry yards and will in the future reside in Santa Rosa. For years Mr. Bird has been a progressive and respected citizen of this vicinity.

A fine up-to-date 2 1/2 ton Kleiber truck was delivered by Mr. Lloyd at Batto's spur on Wednesday last and will be utilized by the pioneer feed

The hearts and home of Mr. and Mrs. Bernhard Schrempf, on the Hyde Tract, were gladdened on Saturday last by the arrival of a bright young native daughter. The mother and baby are doing nicely.

On Sunday last Mr. and Mrs. Louis Klapper entertained 25 of their friends and relatives at an elaborate dinner at their home. The occasion was the 13th anniversary of their wedding.

We are glad to inform the many young friends of Theodore Anthonian Jr., "Teddy" that their little playmate is getting along nicely
